CITY OF SOUTH BEND OPERATION RELEAF 2007

The loose leaf pick-up program will be offered Monday, Oct. 29th through Monday, Dec. 3rd.

- ***DO NOT allow children to play in leaf piles for their safety!***
- Leaf Vac crews will sweep your block two times during this period. Specific area schedule attached.
- Please rake leaves to the curb line, avoid raking them into the street, as this will plug the street drains, causing them to flood.
- Please do not rake leaves to curb lines after crews have finished your street. They will not return until the next scheduled day in your area (approx. 2 weeks later).
- Do not park on top of or in front of leaf piles along curb lines. A vehicle left running while parked over leaves can ignite a fire.
- Please separate all trash and debris from leaf piles/bags. Leaf crews cannot sweep up loose leaf piles contaminated with sticks, trash, and other debris. Trash contaminates the recycling process. Crews will not pickup these piles, it is the property owner's responsibility to dispose of contaminated piles.
- Burning of leaves is totally prohibited in the City of South Bend and is a violation of City ordinance.
- The City collects bagged leaves throughout the year. Please place bagged leaves at curbside by 6:00 a.m. on your regular trash pickup day.
- The City is providing free Clean City leaf bags for the 6th year in a row. Heavy duty, biodegradable leaf bags are available at area neighborhood centers, while supplies last. For a list of neighborhood centers, please visit www.southbendin.gov/releaf, or call 235-9261.
